Project Description: (please use a separate page if necessary)

The Stockton Boulevard Plan (SBP) consists of both a Specific Plan and a Neighborhood Action Plan. The Specific Plan provides a planning framework for making decisions about development and other activities within the Specific Plan Area. This includes land use regulations and policies that are consistent with the City of Sacramento's 2040 General Plan and are designed to streamline the development process within the Specific Plan Area.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
