Project Title: 500-year Flood Protection Project

Project Applicant: Three Rivers Levee Improvement Authority

Project Location (include county): 2-5 miles east and 5-12 miles south of Marysville, Yuba County

Project Description:

The project would improve the Reclamation District 784 urban levee system to provide 500-year flood protection to southwest Yuba County. The project would reduce flood risk, ensure the system is adaptable to climate change, and address differing flood protection levels resulting from incremental construction and improvement of the system. Up to approximately 10 miles of existing levees would be improved, and approximately 1 mile of new levee would be constructed. +

This is to advise that the Three Rivers Levee Improvement Authority has approved the above
