**Project Title:** Storm Damage Repair, Alhambra Valley Road West of Castro Ranch Road Project (Streambed Alteration Agreement EPIMS Notification No. CCA-14585-R3)

**Project Location:** The project is located at Pinole Creek, in the County of Contra Costa, State of California; Latitude 37.971662, Longitude -122.244797; Assessor's Parcel Number 362-090-010-4.

**Project Description:** The California Department of Fish and Wildlife has executed Streambed Alteration Agreement EPIMS Notification Number CCA-14585-R3, pursuant to Section 1602 of the Fish and Game Code to the Contra Costa County Public Works Department.

The project is limited to the repair and stabilization of a partially collapsed roadway on Alhambra Valley Road caused by ongoing creek bank erosion. Two creek bank locations that are close in proximity will be regraded and recompacted with imported engineered fill. The repair will utilize portions of the damaged and existing fall line earthen drainage pattern. Traffic control features, including a guard rail and minor concrete vegetation control will be installed. A new drainage system will be installed yet will connect to an existing stormwater outfall. Excavated, regraded, and disturbed areas susceptible to erosion will be stabilized with rock slope protection, biodegradable erosion control features, hydroseeding, replanting, and minor pavement repair.

**Public Agency Approving Project:** CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE
