Project Description: The proposed project includes the adoption of the 2021–2029 Housing Element. Pursuant to State law, the City has prepared an update to its Housing Element covering the 6th Cycle Planning Period from October 2021–October 2029. The draft 2021–2029 Housing Element addresses the needs of all income levels. It contains an analysis and update of housing and population data based on the most current conditions and sources of information. The revisions incorporate current population and housing projections based upon SCAG’s RHNA adopted in March 2021 for the 6th Cycle Planning Period. In accordance with State Housing law, the draft 2021–2029 Housing Element contains the following: An assessment of housing needs in the City of Cypress; An assessment of actual and potential constraints to the provision and maintenance of affordable housing; An analysis of the City’s accomplishments during the 2014–2021 Housing Element cycle; An evaluation of potential residential development based on the current General Plan and Zoning Ordinance; And the formulation of goals and policies the City will implement to address a number of important housing-related issues and to ensure sufficient land capacity to meet the RHNA objectives.
