## ABSTRACT

Tom Origer & Associates conducted a cultural resources study of the property at 3393 Atlas Peak Road, Napa, Napa County, California. The study was requested and authorized by Drew Aspegren, Napa Valley Vineyard Engineering, Inc. This study was conducted to meet the requirements of the Planning, Building & Environmental Services Division of the County of Napa and those of the California Environmental Quality Act. The purpose of this report is to identify potential historical resources other than Tribal Cultural Resources, as defined in Public Resources Code [PRC] 21074 (a)(1)(A)-(B) and discussed in the Regulatory Context section). Tribal Cultural Resources are defined in Public Resources Code [PRC] 21074 (a)(1)(A)-(B).

The proposed project consists of vineyard development of portions of APN 033-010-056.

This study included archival research at the Northwest Information Center, Sonoma State University, examination of the library and files of Tom Origer & Associates, Native American contact, and field inspection of the study area. No cultural resources were found within the study area.
