Re: SCH # **2021080123**
FTB Security Command Center

Per Lead Agency request, please note that the project title, **Sonoma Valley GW/SW Interaction MW Installation**, was incorrect.

The correct project title is:

Ukiah Valley MW Installation

We apologize for this error and request that you note the above information for your files. All other project information remains the same.

Subject: Change Title of NOE from “Sonoma Valley GW/SW Interaction MW Installation”
to “Ukiah Valley MW Installation”

Dear Mikayla Vaba,

Title of Notice of Exemption (NOE) 2021080123 needs to be changed from “Sonoma Valley GW/SW Interaction MW Installation” to “Ukiah Valley MW Installation”. Language from a previous project was carried over when creating the project description for Ukiah Valley MW Installation. Unfortunately, the title of the project was never updated and the mistake was not corrected until after the NOE was submitted. We apologize for the confusion.

If there are any questions regarding this change, or additional information is required, please contact me at Bayan.Ahmed@water.ca.gov.

Sincerely,

Bayan Ahmed
