Project Description: *(please use a separate page if necessary)*

The City of South San Francisco and the San Mateo County Transportation Authority (SMCTA), as the project sponsors, propose to add an additional east-west connection across US 101 (referred to as the Utah Avenue extension) to accommodate future planned growth, improve traffic operations, and increase pedestrian and bicycle access in the City and vicinity of the project area. The intersections at South Airport Boulevard/Utah Avenue and San Mateo Avenue/Utah Avenue would also be reconstructed to include turning lanes and connect to the new overcrossing. The Airport Boulevard/Produce Avenue/San Mateo Avenue intersection would be modified, or reconstructed.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
