Project Description: *(please use a separate page if necessary)*

The City of South San Francisco and the San Mateo County Transportation Authority (SMCTA), as the project sponsors, and the California Department of Transportation (Caltrans) as the lead agency, an east-west connection across US 101 (Utah Avenue extension), modify three intersections, and provide additional pedestrian and bicycle access in the project vicinity. The proposed US 101 overcrossing would extend from the Utah Avenue/South Airport Boulevard intersection to San Mateo Avenue. The intersections at South Airport Boulevard/Utah Avenue, San Mateo Avenue/Utah Avenue, and Airport Boulevard/Produce Avenue/San Mateo Avenue intersections would be reconstructed to provide new turning lanes and pedestrian/bicycle facilities. The overcrossing would provide two through lanes, bicycle lanes, and sidewalks in each direction and extend over Terminal Court, an existing city street and cul-de-sac.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
