Project Description: (please use a separate page if necessary)

The project proposes an amendment to the City of Lomita General Plan to update the Housing and Safety Elements. As required under State Law every eight years, the City of Lomita is preparing an update to the City's Housing Element, project number GPA 2021-03. The City's existing Housing Element was adopted in 2013 and is set to expire in October 2021. The updates to the Safety Element address information and policies intended to minimize the risk to people or property from hazards within the community such as air pollution, extreme heat, flooding, geologic hazards, hazardous materials, wildfires and climate change.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
