Please post this letter with the attached Initial Study and Mitigated Negative Declaration (IS-MND) for a period of at least 30 days to conform to CEQA Guideline Section 15072. The specific posted comment period is from August 13, 2021 to September 13, 2021 at 5:00 p.m.

Project Title: City of Hayward Sewer and Waterline Pipeline Improvements Project

Project Location: Pipeline segment improvements would take place across 44 distinct locations across the City of Hayward, in Alameda County, California. The general Project Area and individual pipeline segment improvement locations are displayed on Figures 2-1, 2-2, and 2-3 of the attached Mitigated Negative Declaration. The project is not on a list compiled pursuant to Government Code section 65962.5.

Project Description: The Proposed Project involves replacing and improving approximately 5.2 miles of water mains, 3.7 miles of sewer line segments, and reconnection or replacement of laterals and appurtenances in accordance with City standards. Pipeline locations to be replaced/improved were based on recommendations within the City's Sewer Collection System Master Plan and Water System Master Plan. Specific pipeline locations to receive upgrades can be found in the attached Mitigated Negative Declaration.
