Present Land Use/Zoning/General Plan Designation:

Vacant Land/Industrial Park Valley Oak Habitat Overlay/Limited Industrial

Project Description: (please use a separate page if necessary)

Application for a Planning Project to construct a 165-room, six-story hotel with a 176-seat rooftop restaurant at 3750 North Laughlin Road, Santa Rosa, California. The project seeks a Use Permit, Design Review Approval, an amendment to the Airport Industrial Area Specific Plan, and a Development Agreement. Parking for the building would be available onsite through 212 parking stalls. The hotel would employ an estimated 45 employees and the rooftop restaurant an estimated 30 employees. An amendment to the Airport Industrial Specific Plan is requested as part of this project to allow flexibility in design standards provided a project requesting a deviation from the design standards contained in the specific plan receives Design Review Committee approval, approval of a Use Permit, and in cases where an exception to the height standards is requested, issuance of a No Hazard Determination by the Federal Aviation Administration (FAA).

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
