- Statutory Exemptions. State code number.
- Common Sense Exemption. (Cal. Code Regs., tit. 14, § 15301, and tit. 14, §15061(b)(3))

Reasons why project is exempt:

- Cal. Code Regs., tit. 14, sec. 15301 provides that projects which consist of the operation, repair, maintenance, permitting, leasing, licensing, or minor alteration of existing public or private structures, facilities, mechanical equipment, or topographical features, and which involve negligible or no expansion of use beyond that existing at the time of the lead agency’s determination, are categorically exempt from the provisions of CEQA. This project involves the development and demonstrating of a mobile renewable generation for backup power at existing facilities. Therefore, the project falls within section 15301 and will not have a significant effect on the environment.
- Cal. Code Regs., tit. 14, sec. 15303 provides that projects which consist of construction and location of limited numbers of new, small facilities or structures; installation of small new equipment and facilities in small structures; and the conversion of existing small structures from one use to another where only
