Project Title: Bethel Island Drainage and Flooding Remediation and Mitigation Project

Project Applicant: Bethel Island Municipal Improvement District (BIMID)

Project Location (include county): Bethel Island, Contra Costa County, CA

Project Description:

The proposed project would conduct maintenance and rehabilitation on the existing Taylor Road ditch system and secondary pump station including debris and vegetation removal within the ditch, repair and rehabilitation to existing culverts, upgrades to the secondary pump station, and clearing blocked inlets along the drainage alignment. These actions would alleviate known deficiencies within the drainage system that have reduced the capacity of the ditch system to convey storm water to the pump stations.

This is to advise that the BIMID has approved the above (Lead Agency or Responsible Agency)

described project on 10/19/2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at: https://bimid.com/
