Present Land Use/Zoning/General Plan Designation:

Land Use: Vacant/Zoning: R-7,000/General Plan Designation: Urban Residential

Project Description: (please use a separate page if necessary)

The proposed project consists of the subdivision of the subject property into 86 single-family residential lots in the R-7,000 (single family residential, 7,000 square foot minimum lot size) zone. Single family residences would be constructed on each of these lots. The project also includes construction of the following roads to provide vehicle access to the new homes: 62nd Street West, Hampton Street, Avenue K-12 and new interior streets. In addition, the project will extend existing water and sewer lines that are available immediately north of the site. These new utility lines will be buried underneath the new roadway segments.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
