Project Title: Cottonwood Sewer Lift Station Replacement Project

Project Applicant: Otay Water District

Project Location (include county): Unincorporated San Diego County

Project Description:

The Project involves the replacement of an existing sewer lift station with a new and expanded sewer lift station on the adjacent property and the expansion of an existing access road that provides access to the lift station. The proposed lift station would have a capacity of between 500 and 600 gallons per minute (gpm) and would replace the existing 400-gpm lift station. The expanded capacity would be to serve anticipated development in the area.

This is to advise that the Otay Water District has approved the above (Lead Agency or Responsible Agency)

described project on Nov. 3, 2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
