

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION

The project listed below was reviewed for environmental impact by the Placer County Environmental Review Committee and was determined to have no significant effect upon the environment. A proposed Mitigated Negative Declaration and Initial Study & Checklist have been prepared for this project and have been filed with the County Clerk's office.

PROJECT: Bell Road at I-80 Interchange

PROJECT DESCRIPTION: The proposed project would construct a six-legged roundabout at Bell Road that includes the Bowman Road intersection and the I-80 WB ramps intersection as well as a five-legged roundabout at Bell Road that includes the I-80 EB ramps intersection and the Musso Road intersection. The roundabouts would be designed to accommodate future growth "2045". Intersection geometrics and pedestrian crossings would be consistent with the National Cooperative Highway Research Program (NCHRP) Report 672 entitled "Roundabouts: An Information Guide, 2nd Edition" (Guide).

PROJECT LOCATION: Southeastern portion of Placer County, CA, approx. two miles east of the Auburn Airport and North of city limits.

PROPONENT: Placer County Public Works

The public comment period for this document closes on October 14, 2021.
