Attn: Michael Szarzynski, Senior Planner, (760) 955-5135, [mszarzynski@victorvilleca.gov](mailto:mszarzynski@victorvilleca.gov)

**Project Location:** City of Victorville, California

**Project Description:** The City of Victorville (City) is proposing to update the City's Housing Element for the 6th Cycle planning period from October 15, 2021, to October 15, 2029. The Housing Element is a component of the Victorville General Plan 2030 that assesses the housing needs of all economic segments of the City, defines the goals and policies that would guide the City's approach to resolving those needs, and recommends a set of programs that would implement policies over the next few years.

## Statement of Findings:

This is to advise that the **City Council of the City of Victorville, as lead agency**, has approved the above-described project on January 18, 2022, and has made the following determinations regarding the above described-project:

The City of Victorville City Council has reviewed the Initial Study for the proposed project and has found that no adverse environmental impacts to either the human-made or physical environmental setting would occur, and no mitigation measures would be required. The City does hereby direct staff to file a Notice of Determination, pursuant to the California Environmental Quality Act (CEQA).

Copies of the Draft Negative Declaration are available for your review at the City of Victorville Development Department, 14343 Civic Drive, Victorville, California 92392, and in electronic format on the City's website at: <https://www.victorvilleca.gov/government/citydepartments/development/planning/environmental-review-notices>.

Public Review Period: September 17, 2021 through October 18, 2021  
Public Hearing Date: January 18, 2022.
