Project Title: County Road 66B over Colusa Drain Bridge Replacement Project

Project Applicant: County of Glenn

Project Location (include county): County Road 66B over Colusa Drain, Glenn County, California

Project Description:

The project will replace the existing bridge (No. 11C-0068) on County Road 66B spanning Colusa Drain with a wider concrete bridge to improve roadway safety.

This is to advise that the County of Glenn has approved the above (Lead Agency or Responsible Agency)

described project on 11/2/2021 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

516 West Sycamore Street, Willows, CA 95988

Signature (Public Agency): [Signature] Title: Interim Public Works Director
