Project Applicant:	Public Works Department City of Santa Barbara
PLN Number:	N/A
Assessor's Parcel Number:	Public Right-of-Way
Land Use Zone:	Various
Projection Location (Specific):	Various
Project Location:	City of Santa Barbara/County of Santa Barbara

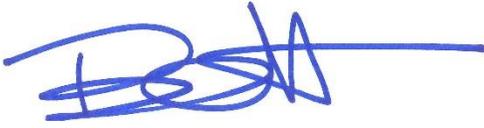

Project Description: *The project proposed rehabilitate approximately 3 miles of existing sewer main pipes at 56 locations throughout the City to maintain the structural integrity of the City's aging sanitary sewer system. Predominantly trenchless methods will be used to line the existing pipes in place. Access to the pipeline will be through the existing manhole structures. In the few cases where trenchless rehabilitation is not possible, the existing pipe will be repaired and/or replaced using standard open trench methods; however, these open trench repairs are not anticipated nor included in the Project's scope. Degrading manholes and sewer cleanouts will also be rehabilitated and/or replaced as appropriate. All work will be performed in the public right of way and/or within existing City sewer easements.*
