**Present Land Use/Zoning/General Plan Designation:**

**Project Description:** *(please use a separate page if necessary)*

Request by Rancho De Suenos LLC for a Major Grading Permit (PMTG2020-00044) to construct a new lined 33.37-acre/foot agricultural reservoir to contain water for irrigation. The reservoir will be approximately 300 feet long by 125 feet wide and 14 feet deep. It will be lined with a textured HDPE geomembrane and have an overflow PVC pipe outlet structure. The reservoir will be supplied by an existing well and pump on the subject property. The project would result in the disturbance of 1.75 acres of a 310-acre site including 10,274-cubic-yards of cut and 10,220-cubic-yards of fill material. The project is within the Agriculture land use category and is located at 1 Allende Road, approximately 1 mile north west of the community of San Miguel. The site is in the Salinas River Sub Area of the North County Planning Area.

The proposed reservoir will be filled using water from the existing well, and will be emptied of well supplied water from November 1st through March 31st, maintained at full condition for April 1st through May 31st for frost protection, and at a quarter full condition from June 1st through October 31st. The proposed reservoir will be used to permit greater flexibility in the irrigation practices that are associated with the vineyard operation and to provide a water supply in the event that frost protection is needed.

*Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.*

## Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".  
If you have already sent your document to the agency please denote that with an "S".
