Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
Categorical Exemption. State type and section number:
Statutory Exemptions. State code number:

Reasons why project is exempt:

CLASS 1 EXEMPTION: The project only requires minor alterations to existing public structures involving negligible or no expansion of use beyond that which previously existed. There is no reasonable probability that the project would have a significant effect on the environment due to unusual circumstances because the site is already developed as a K-8 school.
CLASS 2 EXEMPTION: The project consists of replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced.
CLASS 14 EXEMPTION: The project consists of minor additions to the existing schools within existing school grounds where the addition does not increase original student capacity by more than 25% or ten classrooms, whichever is less. The addition of portable classrooms is included in this exemption.
