Project Title: Permit No. 19716 - Power Pole Installation for Georgiana Slough Salmonid Project

Project Applicant: Pacific Gas & Electric Company

Lead Agency/Address: California Department of Water Resources, 1516 Ninth Street, Sacramento, CA 95814

Lead Agency Contact Person: Mohammed Anwar, (916) 288-2129

Project Location/City/County: This project is located at the confluence of Georgiana Slough and Sacramento River approximately 650 feet north of the intersection of Isleton Road and Georgiana Slough in Sacramento County, California.

Project Description: Approval of Permit No. 19716, under California Code of Regulations, Title 23, Article 3, Section 6, for work within an adopted plan of flood control: To install a 75-foot power pole, which will be hard-set in concrete 9.5 feet below the ground surface. Project activities include installing two down guy wires to the 75-foot pole, securing the two guy wires using two anchors that will be driven or screwed into the ground, installing a new pole-mounted transformer, and stringing a conductor line from an existing power pole on the landside of the levee to the 75-foot pole on the waterside of the levee. A service panel and drop line will also be installed, and the project area will be restored to pre-project conditions.

This is to advise that the Board, as the **Responsible Agency**, approved the above-described project on May 17, 2023 and made the following determinations regarding the above-described project:

1. The project [will / will not] have a significant effect on the environment (This determination is limited to effects within the Board’s permitting jurisdiction as a responsible agency).
2. [An Environmental Impact Report (EIR) / A Mitigated Negative Declaration] was prepared by the lead agency for the original project.
3. Additional mitigation measures [were / were not] made a condition of the Board’s approval of the project.
4. A Mitigation Monitoring and Reporting Plan [was / was not] adopted by the Board for this project
5. A Statement of Overriding Considerations [was / was not] adopted by the Board for this project.
6. Findings [were / were not] made by the Board pursuant to the provisions of CEQA.

Responsible Agency Statement: The Mitigated Negative Declaration, prepared by the lead agency for the project, is available to the general public at the lead agency’s office listed above. The Board’s administrative record related to the encroachment permit is available for public review at the Board’s office.
