Project Description: (please use a separate page if necessary)

The project is the adoption of the General Plan Update of the City of Agoura Hills, Housing Element, and related updates to the Community Conservation and Development, Community Safety, Infrastructure and Community Services, and Natural Resources Elements (the "General Plan Update" or "GPU") and adoption of land use and zoning regulations and the corresponding amendments to the Zoning Map to create and implement the Affordable Housing Overlay District ("AHO"). The Housing Element requires amending General Plan land use designations on some of the proposed Housing Element opportunity sites, which requires revisions to the Land Use & Community Form section of the Community Conservation and Development Element and Land Use Map, along with a re-zoning program and conforming Specific Plan Amendments. The Community Conservation and Development Element is also being amended to reflect the City's new Sphere of Influence (SOI), which includes additional areas beyond the City limits.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
