To whom it may concern,

The original Biological Resource Assessment for the Los Angeles Bikeway and Greenway Project that was uploaded to the State Clearing House contained heading format/pagination errors that included incorrect figure heading links (Section 2.4.3 included paragraph text formatted as header), page 5 reinserted at page 12, and incorrect page numbers. These errors have been corrected in the revised Biological Resource Assessment (version 2) and the duplicate page 5 has been removed; there have been no edits to the figures or text.
