 Project Title: Sports Facilities Lighting at Six High Schools
 Project Applicant: San Bernardino City Unified School District
 Project Location (include county): Arroyo Valley High School (AVHS): 1881 W. Baseline Street, San Bernardino, CA 92411; Cajon High School (CHS): 1200 W. Hill Drive, San Bernardino, CA 92407; Indian Springs High School (ISHS): 650 North Del Rosa Drive, San Bernardino, CA 92410; Pacific High School (PHS): 1020 Pacific Street, San Bernardino, CA 92404; San Bernardino High School (SBHS): 1850 North E Street, San Bernardino, CA 92405; and San Gorgonio High School (SGHS): 2299 Pacific Street, San Bernardino, CA 92404, all in San Bernardino County.

Project Description:

The San Bernardino City Unified School District (District) proposes to install competitive sports lighting at six District high schools (AVHS, CHS, ISHS, PHS, SBHS, and SGHS) in response to the passage of Senate Bill (SB) 328, which requires high schools to start no earlier than 8:30 am. With the later start time, schools will also end later, which will affect sports activities unless the athletic fields and courts are lighted for evening use. The proposed sports lighting project would allow extended use of the athletic facilities (e.g., baseball fields, softball fields, practice soccer fields, swimming pools, and tennis courts) into evening hours for the benefit of existing students. No additional sports programs would be added that could increase participants or spectators. Sports lighting would consist of concrete bases with galvanized steel poles between 50 and 90 feet tall, with LED luminaires mounted at various heights. The proposed project would require limited demolition of hardscape and softscape to install lighting poles at the existing sports facilities. No structural demolition would be required.

This is to advise that the San Bernardino City Unified School District has approved the above described
