Project Title: Ontario International Airport South Airport Cargo Center (SACC) Project

Project Applicant: South Airport Cargo Center

Project Location (include county): 233 E. Avion St., Ontario, CA 91761 (San Bernardino County).

Project Description:

The SACC Project will replace existing underutilized airport-related buildings on a 97-acre site at Ontario International Airport with a new air cargo center. The Project would include demolition of the existing buildings and improvements on the site. Development of the new air cargo center will include an approximately 858,000 sq. ft. cargo sorting building (Air Cargo Sort Building), truckyard, employee parking garage, two aviation support buildings (ground service equipment and aircraft line maintenance).

This is to advise that the Ontario International Airport Authority has approved the above (Lead Agency or Responsible Agency)

described project on June 22, 2023 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:

Ontario International Airport Authority, 1923 East Avion St., Ontario, CA 91761
