Project Title: Oakdale Switchyard Communication Tower

Project Applicant: Turlock Irrigation District

Project Location (include county): Patterson Rd. between Kaufman Rd and Albers Rd, Stanislaus County, Oakdale, CA 95361

Project Description: The proposed project site is located two miles south of the City of Oakdale on Patterson Rd. in Stanislaus County. Currently, the existing tower signal is compromised by deciduous trees between two remote TID facilities. To prevent eventual signal loss, the proposed project involves replacing the existing 80-foot lattice pole with a 130-foot monopole. After the monopole is installed, additional antennas may be added as necessary to provide communication links between Oakdale Switchyard and other facilities.

This is to advise that the Turlock Irrigation District has approved the above (X) Lead Agency or () Responsible Agency

described project on 4/19/2022 and has made the following determinations regarding the above described project.
