Project Description: (please use a separate page if necessary)

The Costco Wholesale Corporation proposes to construct a membership only Costco Commercial Retail Center, including a new Costco facility with an attached tire center and home delivery services, and a detached gas station and drive-through car wash. The existing Costco on Shaw Avenue would relocate to the new facility, which would be sized to accommodate the membership base in northwest Fresno. A General Plan amendment and rezoning of the site would be required to permit the proposed car wash. The project also includes a proposed General Plan amendment and rezoning to reclassify the adjacent portion of West Herndon Avenue from expressway to super arterial to allow for appropriate vehicle access.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
