Present Land Use/Zoning/General Plan Designation:
Multi-family District / Residential ttached

Project Description: *(please use a separate page if necessary)*

The Project proposes the redevelopment of the property, which previously contained 41 homes demolished following the Via Estoril Landslide in March 1998. The proposed Project will result in the construction of 22 three-story condominium style homes configured in 6 triplex and 2 duplex buildings on approximately 2 acres, and the preservation of approximately 2.2 acres of open space. The 4.2-acre Project site is designated as APN 656-321-02. The property will be subdivided into two lots, Lot 1 and Lot "A". Lot 1 includes the 2-acre residential area and Lot "A" includes the 2.2-acre area of open space. The Project is consistent with the existing Residential Attached General Plan Land Use designation and the existing Multi-Family (RM) Zoning for the site.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.

Reviewing Agencies Checklist

Lead Agencies may recommend State Clearinghouse distribution by marking agencies below with an "X".
If you have already sent your document to the agency please denote that with an "S".
