CALIFORNIA DEPARTMENT OF TRANSPORTATION

Klamath River Bridge Replacement Project

NOTICE OF INTENT TO ADOPT A MITIGATED NEGATIVE DECLARATION PURSUANT TO CEQA

What Is Planned

The California Department of Transportation (Caltrans), with the Federal Highway Administration (FHWA) is proposing a bridge replacement project. This project will replace the Klamath River Bridge, No. 02-0117 near the community of Hamburg on State Route 96 (SR-96) in Siskiyou County. The purpose of the project is to provide a bridge that meets modern highway design standards, accommodates interregional transportation needs, reduces maintenance costs, and provides safety for the traveling public.

Notice of Availability

Caltrans and the FHWA have prepared an Initial Study with Proposed Mitigated Negative Declaration (IS/MND) for the Klamath River Bridge Replacement. This notice is to inform you of the preparation of the IS/MND and of its availability for you to review. The IS/MND is being circulated for public and agency review in accordance with California Environmental Quality Act (CEQA) guidelines. It is available for public review from November 11 to December 10, 2021.

A copy of the IS/MND is available for review at Caltrans District 2, 1031 Butte Street, Redding, and the Post Office at 33 Davis Road, Happy Camp, CA. It is also available online at: <https://dot.ca.gov/caltrans-near-me/district-3/d3-programs/d3-environmental/d3-environmental-docs>. Copies of supporting technical documents are available upon request. To request a copy of the IS/MND or supporting technical documents, please contact Keith Pelfrey, Senior Environmental Planner, at Keith.Pelfrey@dot.ca.gov or (530) 941-3340.

Please submit any comments you may have in writing by December 10, 2021 to:
