Project Description: *(please use a separate page if necessary)*

State Housing Element statutes (California Government Code [CGC] Sections 65580 – 65589.9) mandate that local governments adequately plan to meet the existing and projected housing needs of all economic segments of the community. The City of Chino Hills 6th Cycle Housing Element (Project) has been prepared to comply with these state statutes within the context of the physical and socio-economic conditions unique to Chino Hills, and covers the eight year planning cycle from 2021-2029.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
