Subject: SCH Number 2021110304 – Change out Chapter 10 of the Final EIR

To Whom it May Concern:

The Final EIR for the West Campus Upper Plateau Project (SCH No. 2021110304), was posted this morning, May 31, 2024. March JPA would like to replace the version of Chapter 10 of the Final EIR with the enclosed version because two pages were missing from the file. Can you please post this version as a replacement to the version currently posted on the CEQAnet site?

Thank you.

Sincerely,
Dan Fairbanks, Planning Director
March Joint Powers Authority
