Good morning,

The West Valley CHP Area has reviewed your project and determined there will be no impact to our Area's local operations and/or public safety by State Route 27 Slope Stabilization Project SCH #2021110320. Please let me know if there is anything else that you need.

Respectfully,

Governor's Office of Planning & Research

Good afternoon,

Special Projects Section (SPS) recently received the referenced Notice of Environmental Impact document from the State Clearinghouse (SCH) outlined in the following Web site:

[State Route 27 Slope Stabilization Project \(ca.gov\)](#)

Due to the project's geographical proximity, please use the attached checklist to assess its potential impact to local operations and public safety. If impact is determined, responses should be e-mailed directly to the Lead Agency with cc to SCH and myself.

Please feel free to e-mail me if you have any questions.

Thank you,
