Project Title: Galt JUESD Bus Yard EV Infrastructure Project

Project Applicant: Galt Joint Union High School District

Project Location - Specific:

Galt JUESD Transportation Department 1019 Beaver Park Way

Project Location - City: Galt Project Location - County: Sacramento

Description of Nature, Purpose and Beneficiaries of Project:

The Galt Joint Union High School District will be adding a charging station at their sister Elementary School District's Transportation Department location to charge electric school buses. This will benefit both the children riding the buses and the community exposed to traditional diesel school buses by allowing emissions reductions within the community of Galt. Please note that the High School District and Elementary School District contractually share transportation services.
