

PUBLIC NOTICE

Notice of Intent to Adopt a Mitigated Negative Declaration Proposed Rockport Culverts Project, Mendocino County

WHAT IS BEING PLANNED

The California Department of Transportation (Caltrans) proposes to rehabilitate or replace five culvert systems on State Route 1 from postmile (PM) 85.09 to 88.95 between Rockport and Leggett in Mendocino County. The purpose of this is to improve drainage systems and reduce erosion to protect the structural integrity of State Route 1. The project is needed because the culverts are severely damaged or have failed, resulting in insufficient drainage capacity causing roadway flooding and embankment erosion which could potentially lead to roadway failure.

WHAT IS AVAILABLE

The environmental document, referred to as an Initial Study, will be available for public review online at the following location:

- https://dot.ca.gov/caltrans-near-me/district-3/d3_programs/d3-environmental-planning/d3-environmental-docs

The document is also available for review on weekdays between 8 a.m. and 4 p.m. at the Caltrans District 1 Office at 1656 Union Street in Eureka. The draft IS/MND and individual technical studies can be requested by contacting Liza Walker at (707) 502-9657 by telephone or by e-mail at liza.walker@dot.ca.gov.

CONTACT INFORMATION

Please submit written comments to Liza Walker at Caltrans, North Region Environmental-District 1, 1656 Union Street, Eureka CA 95501 or by e-mail to: liza.walker@dot.ca.gov. **All comments must be received by January 3, 2022.** For more information about this project, please contact Project Manager Kim Floyd at (707) 296-5552, or TTY 711, or by e-mail to: kim.floyd@dot.ca.gov.

SPECIAL ACCOMMODATIONS

For individuals with sensory disabilities, this document can be made available in Braille, large print, audiocassette, or computer disc. To obtain a copy in one of these alternate formats, please contact Public Information Officer Myles Cochrane at (707) 498-4272, or TTY 711.
