Project Title: L.S. 64 Yuba River Permanent Alignment (Lake and Streambed Alteration Agreement
EPIMS Notification No. YUB-20863-R2)

Project Location: The project is located at the Yuba River, in the County of Yuba, State of California;
within the City of Marysville and unincorporated Yuba County along the south side of the Yuba River,
approximately one mile northeast of the confluence of the Yuba River and the Feather River; Latitude
39.134849, Longitude -121.581820.

Project Description: The California Department of Fish and Wildlife has executed Lake and Streambed
Alteration Agreement EPIMS Notification Number YUB-20863-R2, pursuant to Section 1602 of the Fish and
Game Code to the project Applicant, SFPP, LP, as represented by Blake Amos.

The project proposes to relocate a portion of an existing 8-inch refined petroleum products pipeline from its
current temporary location beneath the Union Pacific Railroad (UPRR) bridge spans to a new permanent
location on the northern side of the UPRR bridge spans.

Construction of the project will entail: (1) installing approximately 40 pipe supports with a support placed
every 20 feet; (2) relocating approximately 800 feet of the existing 8-inch pipeline; (3) installing and welding
two pipe tie-in pieces; (4) excavating approximately 50 feet of trench to remove a buried section of pipe; (5)
removing an existing bridge support structure that will no longer be needed once the pipeline is relocated;
and (6) restoring the project area to approximate pre-project conditions

Public Agency Approving Project: CALIFORNIA DEPARTMENT OF FISH AND WILDLIFE

Person or Public Agency Carrying out Project: SFPP, LP

Exempt Status:

Categorical Exemption. Type – Classes 1, 2 and 4; California Code of Regulations, title 14,
sections 15301, 15302, and 15304 respectively

Reasons why project is exempt: The activity consists of the slight relocation of an existing pipeline
structure on the same site with no change to the structure’s purpose and capacity. The activity consists of
minor alterations which does not involve removal of healthy, mature, or scenic trees and involves negligible
or no expansion in use.
