Project Title: *Maritime Clean Air Strategy*

Project Location – Specific: *Various locations around Tidelands*

Project location – City: *Chula Vista, Coronado, Imperial Beach, National City, San Diego*

Project Location – County: *San Diego*

Description of Nature, Purpose, and Beneficiaries of Project: *In 2019, the Board of Port Commissioners (Board) adopted a resolution authorizing Port staff to update the Port's 2007 Clean Air Program to align with State programs, develop District-related strategies, and identify projects that would reduce emissions and improve air quality. This update has evolved into the proposed project, the Maritime Clean Air Strategy (MCAS), which is a planning document that identifies long and near-term goals and policies, and identifies potentially feasible strategies and measures, to help reduce emissions while promoting maritime operations.*

The MCAS provides a framework for the Port to assist in identifying future projects and initiatives in the near and long-term to improve health through cleaner air for all who live, work, and plan on and around San Diego Bay. Near-term goals and objectives aim to be achieved by June 30, 2026, whereas long-term goals and objectives aim to be achieved by 2030. Near-term goals will help accelerate the deployment of zero emission technologies and build confidence in the marketplace. One of the near-term objectives includes a commitment to complete a comprehensive update to the MCAS in 2025, that will include more specificity for year 2030, when more information is known. Goals and objectives are tied to the seven maritime emission sources (cargo handling equipment, harbor craft, ocean-going vessels, trucks, rail, shipyards, and Port fleet) and stakeholder priorities (public health, community enrichment, and enabling).

Name of Public Agency Approving Project: *San Diego Unified Port District (SDUPD)*

Name of Person or Agency Carrying Out Project: *Larry Hofreiter, San Diego Unified Port District, 3150 Pacific Highway, San Diego, CA 92101; (619) 686-6257*

Exempt Status: (Check one): Ministerial (Sec. 21080(b)(1); 15268);
 Declared Emergency (Sec. 21080(b)(3); 15269(a));
 Emergency Project (Sec. 21080(b)(4); 15269(b)(c));
 Categorical Exemptions:
■ Statutory Exemption. State code number: Section 15262 (Feasibility and Planning Studies)

Reason Why Project is Exempt: *The proposed project is determined to be exempt pursuant to California Environmental Quality Act (CEQA) Guidelines Section 15262 (Feasibility and Planning Studies) and Section 2.a of the District's Guidelines for Compliance with CEQA because it is a planning*

document to be utilized in or to guide possible future actions for which the Board has not approved, adopted, or funded. Section 2.a. of the District's CEQA Guidelines is as follows:

2.a. Feasibility and Planning Studies (SG § 15262): A project involving only feasibility or planning studies for possible future actions which the agency, board, or commission has not approved, adopted, or funded does not require the preparation of an EIR or negative declaration but does require consideration of environmental factors. This section does not apply to the adoption of a plan that will have legally binding effect on later activities.
