Project Title: California Department Public Health Network Refresh

Project Location – Specific:
1616 Capitol Avenue

Project Location – City: Sacramento
Project Location – County: Sacramento

Description of Nature, Purpose, and Beneficiaries of Project:
The activity involves replacing network switching infrastructure at the East End Complex Building 052, first floor. Replacing the hardware will upgrade switches and provide access points for WIFI. WIFI access and improved internet service are benefits of the project.

Name of Public Agency Approving Project:
California Department of Public Health

Name of Person or Agency Carrying Out Project: California Department of Public Health

- Exempt Status:**
- Ministerial (§ 15268)
 - Declared Emergency (§ 15269(a))
 - Emergency Project (§ 15269(b)(c))
 - Categorical Exemption – Class 1 (Existing Facilities), § 15301

Reasons Why Project is Exempt:
This activity replaces existing hardware located at an existing facility where negligible or no expansion of the facility beyond that existing at the time of lead agency’s determination. The State confirms that no exceptions apply which would preclude the use of an exemption for this project. The project will not have a significant effect on resources in the area.
