Present Land Use/Zoning/General Plan Designation: The site is currently undeveloped and covered in dense vegetation. Several trees and shrubs are located throughout the project site. The western portion of the site was recently disturbed during landscape improvements, while the southern portion of the site is predominantly characterized by a seasonal drainage and wetland area. Per the City's General Plan, the site is designated Commercial and is zoned Controlled Manufacturing District (M-1).

Project Description: The proposed project would include development of one two-story mixed-use building and two three-story residential buildings. The project would include a condominium subdivision to create one commercial condominium and 19 residential condominiums. In addition, the project would involve off-site improvements, including construction of a new driveway and associated parking spaces within the northern portion of the existing Pacifica Community Center.
