**CEQA EXEMPTION / NEPA CATEGORICAL EXCLUSION
DETERMINATION FORM (rev. 04/2021)**

Project Information

Project Name (if applicable): Gle 5 Orland Clean California Beautification and Safety

DIST-CO-RTE: 03-GLE-5

PM/PM: R25.25-R25.79

EA: 03-2J820

Federal-Aid Project Number: 0322000103

Project Description

The California Department of Transportation (Caltrans) proposes to make improvements at the Interstate 5 (I-5) and State Route (SR) 32 interchange in the City of Orland between post miles (PM) R25.25 and R25.79. The proposed improvements would be made in response to the Clean California State Beautification Program of 2021 authorized under Assembly Bill 149. (See Continuation Sheet)

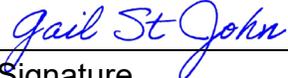

Caltrans CEQA Determination (Check one)

- Not Applicable** – Caltrans is not the CEQA Lead Agency
- Not Applicable** – Caltrans has prepared an IS or EIR under CEQA

Based on an examination of this proposal and supporting information, the project is:

- Exempt by Statute.** (PRC 21080[b]; 14 CCR 15260 et seq.)
- Categorically Exempt. Class 1.** (PRC 21084; 14 CCR 15300 et seq.)
 - No exceptions apply that would bar the use of a categorical exemption (PRC 21084 and 14 CCR 15300.2). See the [SER Chapter 34](#) for exceptions.
- Covered by the Common Sense Exemption.** This project does not fall within an exempt class, but it can be seen with certainty that there is no possibility that the activity may have a significant effect on the environment (14 CCR 15061[b][3].)

CEQA EXEMPTION / NEPA CATEGORICAL EXCLUSION DETERMINATION FORM

Caltrans NEPA Determination (Check one)

[X] Not Applicable

Caltrans has determined that this project has no significant impacts on the environment as defined by NEPA, and that there are no unusual circumstances as described in 23 CFR 771.117(b). See SER Chapter 30 for unusual circumstances. As such, the project is categorically excluded from the requirements to prepare an EA or EIS under NEPA and is included under the following:

[] 23 USC 326: Caltrans has been assigned, and hereby certifies that it has carried out the responsibility to make this determination pursuant to 23 USC 326 and the Memorandum of Understanding dated April 18, 2019, executed between FHWA and Caltrans. Caltrans has determined that the project is a Categorical Exclusion under:

[] 23 CFR 771.117(c): activity (c)(Enter activity number)

[] 23 CFR 771.117(d): activity (d)(Enter activity number)

[] Activity Enter activity number listed in Appendix A of the MOU between FHWA and Caltrans

[] 23 USC 327: Based on an examination of this proposal and supporting information, Caltrans has determined that the project is a Categorical Exclusion under 23 USC 327. The environmental review, consultation, and any other actions required by applicable Federal environmental laws for this project are being, or have been, carried out by Caltrans pursuant to 23 USC 327 and the Memorandum of Understanding dated December 23, 2016 and executed by FHWA and Caltrans.

Briefly list environmental commitments on continuation sheet if needed (i.e., not necessary if included on an attached ECR). Reference additional information, as appropriate (e.g., additional studies and design conditions).

CEQA EXEMPTION / NEPA CATEGORICAL EXCLUSION DETERMINATION FORM

Continuation sheet:

The Interstate 5 (I-5)/State Route 32 (SR 32) interchange is the gateway to the City of Orland. The slopes beneath the SR 32 overcrossing are currently unpaved and unsightly. The plant growth in the gore areas and ramp loops is patchy with numerous barren spots. Unpaved areas at the beginning and ends of the on- and off-ramps need continuous maintenance to control weeds and other volunteer vegetation. Currently, the interchange does not include any features that provide a cultural connection to the City of Orland.

The purpose of the proposed project is to improve the appearance of this interchange and introduce aesthetic treatments that will enhance community identity as the queen bee capital of North America. The proposed project will also address ongoing safety issues for Caltrans maintenance forces performing weed control in unpaved areas.

The proposed Clean CA 2021 project includes the following improvements at that I-5/SR 32 interchange:

- Place inert material, such as rock, gravel, recycled glass, at areas where there is no vegetation
- Place sculpture artwork in the northbound and southbound I-5 off ramp area
- Pave slopes beneath the I-5/SR 32 separator with stamped and colored concrete
- Extend paving at gore areas with stamped and colored concrete

All work would occur within existing Caltrans right-of-way.

Environmental Commitments:

Cultural Resources: None - Screened Undertaking memo (C. Buitenhuys 11/15/21)

Biology: None - Qualifies for Programmatic No Effect (K. Russo 11/4/21)

Hazardous Materials: ISA – Potential for aurally deposited lead (R. Chadha 11/22/21).
The proposed project is not within or impacting any site on the Cortese List.

Include the following SSPs and costs in the construction contract and BEES:

- SSP 7-1.02K(6)(j)(iii)_unregulated earth material containing lead
- \$2,000 for Lead Compliance Plan (Item 070030)
