Project Title: Van Nuys Network Upgrade

Project Location – Specific: 6150 Van Nuys Boulevard

Project Location – City: Van Nuys

Project Location – County: Los Angeles

Description of Nature, Purpose, and Beneficiaries of Project:

The project involves installation of telecommunication fiber into the building, where cutting into the walkway, minor trenching in the planter area, and penetrating into the building wall would occur. All surfaces will be restored to its original appearance. The project will increase internet speed and improve reliability.

Name of Public Agency Approving Project: Department of Motor Vehicles

Name of Person or Agency Carrying Out Project: Department of Motor Vehicles

Exempt Status:

- Ministerial (§ 21080(b)(1); 15268)
- Declared Emergency (§ 21080(b)(3); 15269(a))
- Emergency Project (§ 21080(b)(4); 15269(b)(c))
- Statutory Exemption .
- Categorical Exemption CEQA Section 15301(1)(a) – Existing Facilities

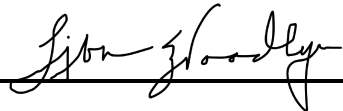

Reasons Why Project is Exempt:

The project is a tenant improvement in an existing building. Class 1 consists of minor alteration of existing public or private structures, interior and exterior alterations involving installation of electrical and telecommunication conveyances, where the project will have negligible or no expansion of existing use. The project is not in an environmentally sensitive area and the State confirms that no exception apply which would preclude the use of a Notice of Exemption for this project.
