Project Title: Old Oregon Trail Safety Improvement Project

Project Applicant: City of Redding

Project Location (include county): City of Redding, Shasta County, CA.

Project Description:

The project would consist of safety improvements along an approximately 1.2-mile segment of Old Oregon Trail. The existing road alignment would be widened to create one standard 12-foot wide lane in each direction with 6-foot wide paved shoulders. A section of roadway would also be realigned to improve compound curves. The purpose of the project is to improve safety for pedestrians, cyclists, and motorists.

This is to advise that the City of Redding has approved the above (Lead Agency or Responsible Agency)

described project on 2/15/2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
