Good afternoon Captain,

I have updated the EIR contact for San Geronio Pass – all future documents will be sent to Lt. Vargas with you copied.

Thank you,

Ms. Lange,

In the future, could you please send all Environmental Impact documents for the San Gorgonio Pass Area to Lt. Michael Vargas? Sgt. Rodriguez has transitioned back to the field and no longer is involved in the process. I would appreciate it if you could continue to Cc me as well. Lt. Vargas's email is:

MiVargas@chp.ca.gov

Thank you,

Aaron

Good morning,

Special Projects Section (SPS) recently received the referenced Notice of Environmental Impact document from the State Clearinghouse (SCH) outlined in the following Web site:

[I-10/Cherry Valley Boulevard Interchange Project \(ca.gov\)](https://www.chp.ca.gov/Portals/0/Projects/CHP%20Projects/SPS/2021/120553/I-10/Cherry%20Valley%20Boulevard%20Interchange%20Project%20(ca.gov))

Due to the project's geographical proximity, please use the attached checklist to assess its potential impact to local operations and public safety. If impact is determined, responses should be e-mailed directly to the Lead Agency with cc to SCH and myself.

Please feel free to e-mail me if you have any questions.

Thank you,
