Present Land Use/Zoning/General Plan Designation:

Project Description: (please use a separate page if necessary)

A request by High Farms LLC for a Minor Use Permit (DRC2019-00061) for up to two acres of outdoor cannabis cultivation canopy within hoop houses, an ancillary nursery, ancillary processing activities (i.e. drying and storing), ancillary transport, and other related site improvements for parking and access. The project would result in approximately 2.3 acres of site disturbance, including 104 cubic yards of cut and 91 cubic yards of fill. A modification from the County setback standards is requested to reduce the required 300-foot setback from the property lines to 200 feet on the eastern property line and 20 feet on the western property line. A modification from County parking standards is also requested to allow six parking spaces where 45 spaces are required. The project site is in the Agriculture land use category.

Note: The State Clearinghouse will assign identification numbers for all new projects. If a SCH number already exists for a project (e.g. Notice of Preparation or previous draft document) please fill in.
