NOTICE OF PREPARATION AND NOTICE OF **RESCHEDULED** PUBLIC SCOPING MEETING

FROM: San Bernardino County Land Use Services Department

San Bernardino, CA 92415-0187

TO: Responsible Agencies, Trustee Agencies, and Interested Parties

DATE: January 4, 2021

SUBJECT: Notice of Preparation of a Draft Environmental Impact Report for the Duke Warehouse at Slover & Alder Project

The County of San Bernardino (“County”) will be the Lead Agency and will prepare a Draft Environmental Impact Report (EIR) for the proposed Duke Warehouse at Slover and Alder Project (“Project”) described below. We are interested in your agency’s views as to the appropriate scope and content of the Draft EIR’s environmental information pertaining to your agency’s statutory responsibilities related to the project. We will need the name of a contact person for your agency. For interested individuals, we would like to be informed of environmental topics of interest to you regarding the project.

Because the County has already determined that an EIR is required for the proposed Project, and as permitted by State CEQA Guidelines Section 15060(d) (Preliminary Review), the County will not prepare an Initial Study for the Project. Further, the proposed Project, its location, and its potential environmental effects are summarized for this Notice of Preparation (NOP). A copy of the NOP with figures is available on the County’s website or upon request with the project planner as detailed below. The County welcomes public input during the NOP review period. The NOP has been recirculated to provide a rescheduled date for the virtual public scoping meeting.

Project Title: Duke Warehouse at Slover and Alder Project

Project Number: PROJ-2021-00081

Project Applicant: Duke Realty Corporation

Assessor’s Parcel Number(s): 0256-031-19, 0256-031-18, 0256-031-17, 0256-031-07, 0256-031-08, 0256-031-09, and 0256-031-10

Project Location: The Project site is in the unincorporated community of Bloomington, in the southwestern area of the County’s Valley Region. The Project site consists of 13.23 acres located at the southeast corner of Slover Avenue and Alder Avenue. The Project site consists of two single-family residences on the northwest and southwest corner, three commercial/industrial buildings, a construction storage site, and trailer parking lot. Multiple shipping containers and other storage units are located on the northeast portion of the site. The project site is located in the Limited Industrial (LI) Land Use Category, Community Industrial (CI) Zoning District.

Project Description: The proposed Project would be consistent with the Policy Plan LI Land Use Designation and IC Zoning District. Approval of a Conditional Use Permit is being requested to allow for warehousing and distribution uses. The Project proposes to develop an approximately 259,481 square foot high-cube warehouse building, inclusive of 5,000 square feet of office space on approximately 13.23 acres. The proposed building would be 44 feet in height. The Project also includes the construction of a surface parking lot, landscaping, signage, and utility improvements to serve the site. In addition, offsite improvements would include curb, gutter, and sidewalk improvements along the project frontage. A total of 40 dock doors are proposed. The dock doors would be placed along the northern side of the warehouse building, along Slover Avenue and away from sensitive land uses. The parking lot would include 131 passenger vehicle stalls and 85 trailer stalls to the north and to the east of the proposed building. Construction is estimated to be completed in approximately 7 months. Operation would occur 24 hours a day, 7 days a week.

Environmental Issues: An Initial Study has not been prepared for the Project as the County has determined that an EIR will clearly be required (State CEQA Guidelines Section 15063(a)). Based on the anticipated impacts, the County anticipates that the following environmental topic areas will be addressed in the EIR: Aesthetics, Agriculture and Forestry Resources,
