Project Title: Belvedere Seismic Upgrade Project

Project Applicant: City of Belvedere

Project Location (include county): Beach Road and San Rafael Ave., Belvedere, Marin County

Project Description:

The Belvedere Seismic Upgrade Project (BSUP or Project) involves installation of sheet piles within and near the San Rafael Avenue and Beach Road rights-of-way. The sheet piling will stabilize the levees and provide substantial protection against deformation during strong seismic events. By stabilizing the levees, access for evacuation and emergency vehicles would be maintained and utilities buried under the existing roadways would be protected.

This is to advise that the City of Belvedere City Council has approved the above (Lead Agency or Responsible Agency)

described project on Dec. 11 2023 and has made the following determinations regarding the above described project.

- 1. The project will have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
