Reasons why project is exempt:

The proposed project is consistent with State Guidelines for the implementation of CEQA. The project is consistent with Section 15301 Class 1 which provides for repair, maintenance, or minor alteration of existing public facilities. This includes but is not limited to Class 1 (l)(4) for demolition of accessory structures.

The project is also consistent with Section 15302 Class 2 which provides for replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. This includes but is not limited to Class 2 (c) for replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity.

NOTICE OF EXEMPTION

The project is also consistent with the County CEQA Guidelines. The project is consistent with Class 1 which provides for repair, maintenance, or minor alteration of existing public facilities. This includes but is not limited to Class 1 (h)(4) for demolition of accessory structures.

The project is also consistent with Class 2 which provides for replacement or reconstruction of existing structures and facilities where the new structure will be located on the same site as the structure replaced and will have substantially the same purpose and capacity as the structure replaced. This includes but is not limited to Class 2 (e) for replacement or reconstruction of existing utility systems and/or facilities involving negligible or no expansion of capacity.

The County has considered the cumulative impact of the proposed activities and determined that the cumulative impact of the specified activities will not result in significant impacts on the environment that would constitute an exception to Classes 1 & 2 Categorical Exemptions as described in Section 15300.2 (b) of the CEQA Guidelines.

The County has considered the potential for significant impacts on the environment resulting from the specified activities and determined that there are no unusual circumstances that would result in significant effects on the environment constituting an exception to Classes 1 & 2 Categorical Exemptions as described in Section 15300.2 (c) of the CEQA Guidelines.

The specified activities will not result in damage to scenic resources, such as trees, historic buildings, rock outcroppings or similar resources or involve work within a highway officially designated as a state scenic highway that would constitute an exception to Classes 1 & 2 Categorical Exemptions as described in Section 15300.2 (d) of the CEQA Guidelines and Section 21084 (c) of the CEQA Statutes.

The specified activities do not involve work on a site included on any list compiled pursuant to Section 65962.5 of the Government Code relating to solid and hazardous wastes and do not constitute an exception to Classes 1 & 2 Categorical Exemptions as described in the Section 15300.2 (e) of the CEQA Guidelines and Section 21084 (d) of the CEQA statutes.

The specified activities would not cause a substantial adverse change in the significance of a historical resource as specified in section 21084.1 of the CEQA Statutes and do not constitute an exception to Classes 1 & 2 Categorical Exemptions as described in Section 15300.2 (f) of the CEQA Guidelines and Section 21084.1 of the CEQA Statutes.
