Project Title: Casino Basin Project

Project Applicant: City of Porterville Community Development Department

Project Location (include county): NW of Road 216 and Avenue 128, City of Porterville, Tulare County

Project Description:

The proposed project would include a new stormwater recharge basin to support the Eagle Mountain Casino. The basin would have a depth of 13 feet from original grade to the base (toe) of the slope, and the high water line would be 5 feet above the basin floor. The basin would have capacity of 200.22 acre-feet. The proposed project would include cast-in-place storm drain outlets, storm drain manholes, and an underground 72-inch storm drain pipe underneath Road 216, Avenue 130, and West Street.

This is to advise that the City of Porterville has approved the above (Lead Agency or Responsible Agency)

described project on 3-1-2022 and has made the following determinations regarding the above described project.

- 1. The project will not have a significant effect on the environment.
2. An Environmental Impact Report was prepared for this project pursuant to the provisions of CEQA. A Negative Declaration was prepared for this project pursuant to the provisions of CEQA.
3. Mitigation measures were made a condition of the approval of the project.
4. A mitigation reporting or monitoring plan was adopted for this project.
5. A statement of Overriding Considerations was adopted for this project.
6. Findings were made pursuant to the provisions of CEQA.

This is to certify that the final EIR with comments and responses and record of project approval, or the negative Declaration, is available to the General Public at:
