Project Title: SMUD 59th Street Corporation Yard Demolition and Remediation Project

Project Applicant: Sacramento Municipal Utility District

Project Location (include county): Sacramento, Sacramento County

Project Description:

SMUD is proposing installation of a full-scale soil vapor extraction (SVE) system to remediate volatile organic compound (VOC)-impacted soil gas, and excavation and disposal of contaminated soil. To access the contaminated soil, multiple buildings would require demolition. The project would include building demolition, installation and operation of the SVE system, and excavation and disposal of contaminated soil. All remediation activities would require approval from the California Department of Toxic Substances Control (DTSC) prior to implementation, to ensure protection of human health and the environment. SMUD is proposing to remediate the site to appropriate risk.

This is to advise that the Sacramento Municipal Utility District has approved the above
