Project Description		
<p>The Cottle and Lester Historic Ranch Site Plan Project (Project) provides for the reuse of the Life Estate parcel at Martial Cottle Park. The Project will preserve historic structures through the reuse of the on-site ranch buildings and will create new amenities and upgrades to improve the visitor experience at Martial Cottle Park.</p> <p>The planned uses for the Historic Ranch include recreation facilities, educational and interpretive opportunities, and support for local agriculture. The Project will use and/or repurpose nine historic structures which include the Japanese House, Cottle House, Stock Barn, Green Barn, Pole Barn, Tractor Sheds 1-3, and the north garage. An additional 17 historic structures that do not have a planned reuse will be retained and remain protected in place. The event area near the Green Barn will be constructed, including an outdoor event lawn, and an amenity building that would provide a restroom and changing room facilities. The Project also includes features that will remain protected in place such as orchards, corrals, fencing, and utilities.</p> <p>The Project includes a security fence around the perimeter of the Historic Ranch with access controlled by gates. The Project includes pedestrian access gates and vehicular gates restricted to staff, operations, and emergency use only.</p> <p>The Project includes a site host area to provide ongoing park operation, maintenance, interpretation, and security of the Historic Ranch. A maintenance yard is also proposed to provide on-site storage of farm equipment and objects from the collection, space for Parks staff and volunteers to maintain and repair equipment, and staff and volunteer parking.</p> <p>Improvements to the Project Site include constructing the final segment of the Perimeter Trail, which is an internal trail system that encircles the Park and provides a buffer between the agricultural uses and residential areas and major roads, completing the vision for the trail as planned by the 2011 Martial Cottle Park Master Plan.</p>
